Can you haul all this? Trying to get it gone today if possible

Happy to. That looks like about a half truckload, which runs \$240 to \$290, final price confirmed by the crew before we load. We could be there today 2:30 to 4, or tomorrow 8 to 10. Want either of those?

AI · 8:48 AM

Does the dresser having a mirror matter? And yes, 2:30 today works

No extra charge, we just wrap the mirror. You're booked for today between 2:30 and 4. You'll get a text when the crew is 20 minutes out.

AI · 8:51 AM

Booked in 4 minutes. Photo, load estimate, and crew notes (treadmill: 2-person carry; dresser mirror: wrap) sent to truck 2.
