

5 workflows every service business should automate

Trigger → Automated action → Result (no manual work)

1

Lead follow-up

Recovers after-hours leads. Response within 5 min = 80% higher conversion.

2

Review requests

One tap to review. Follow-up at day 3 if no response. Consistent 4.8+ ratings.

3

Scheduling & dispatch

Eliminates manual Tetris. Routes by proximity, skill, and availability.

4

Invoicing & payment

Same-day invoicing = 15-25% faster collection. Auto reminders at day 3 and 7.

5

Report generation

Revenue, jobs, top tech, outstanding invoices. Zero manual spreadsheet work.

~15 hrs/wk

Manual time eliminated
